Communication Skills

TAE 1

Q1. Prepare a write-up where you have to mention about your goals (what you intend to achieve in the next five years)

→ A Goal can be any objective that you set for yourself and push yourself to achieve it. Goals also help to focus our mind and establish a sense of self-mastery. Lastly, you can't manage what you don't measure, and you can't achieve what you don't properly manage. Goals can assist you in accomplishing all of this and more.

1. In five years, I want to improve my skills by diving headfirst and learn as much as I can.

My goal is to achieve a bachelor degree in my engineering field with an excellent grade which will also benefit me in subsequent studies. I aspire to go abroad for higher education, such as a master's degree, in my respective fields.

-
2. I desire to learn a New Knowledge or Trade. It diversifies employment opportunities and improves potential for communication skills and helps to generate new approaches to maintain the rapidly changing world.
 3. My aim is to become financially independent . So I may spend as I want and For money, I shall not rely on my parents.

Q2. Provide your self-analysis evaluation by aligning with SWOT.It has to be done in the form of a table.

Strengths	I believe my strengths are that I am a quick learner, I am good at time management, and I can quickly adapt to a new atmosphere. I enjoy learning new things and challenging myself.
Weaknesses	My weakness is communication. I become frightened when I have to speak in front of a class. and I'm working to improve it.

Opportunities	By studying diligently, I will have the opportunity to study abroad. and it helped me get closer to my goals. and by improving my weaknesses, I will have more opportunities, which will benefit me in the future.
Threats	The whole pandemic had a negative impact on us because we have had to stay at home and unable to go out, which has had a significant impact on academics, developing new skills and mental health.
